Above the migh-ty Hud-son the state-ly high-lands rise.
Teach us, and make us wise, that our life be well be- gun.

There Mt. St. Mar- y Coll- ege, our Al- ma Ma-ter lies.
Kin- dle our minds and hearts, that our work be no- bly done.

Fac- ing the morn-ing sun now, we in the time of our youth,
Guide us to paths of ser- vice that we may share what you give.

Wel- come the light of know- ledge, and search for the height of truth.
Help us to love Him bet- ter, and whose per- fect love we live.
