In response to the health crisis, The Higher Education Emergency Relief Fund II (HEERF II) was authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), Public Law 116-260, signed into law on Dec. 27, 2020.

- Among other things, the CRRSAA Act provides emergency relief funds for students. The only statutory requirement is that the funds be used to cover expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance, such as food, housing, course materials, technology, health care, and childcare), or to reduce existing tuition expenses on student account (incurred after December 27, 2020).

MSMC received a total of \$904,943 in emergency grant funding to be awarded to students. ONLY students who are or could be eligible to participate in Title IV (federal financial aid) programs are eligible to receive these funds. We have awarded \$904,943 to 1,156 eligible students.

In order to qualify for CRRSAA Act funds, students must meet the following criteria:

- Enrollment at the Mount in Spring 2021
- Completed 2020-2021 FAFSA and received or was eligible to receive federal financial aid (Title IV) funds
- Expected Family Contribution (EFC) based on FAFSA must be less than \$30,000 for students enrolled full-time (12 credits or more)
- Expected Family Contribution (EFC) based on FAFSA must be less than \$10,000 for students enrolled at least half-time (6-8 credits)

The funds were distributed based on the authorization students provided on the CARES Act Higher Education Emergency Relief (HEERF) II form to either: (1.) Apply the funds to student account to assist in payment of tuition expenses incurred after December 27, 2020 OR (2.) Issue a check payable to the student to assist with cost of attendance or emergency costs. Funds awarded by check were mailed to student's home address. Awards issued by check were not reduced by any unpaid balance on the student account. Please note that the funds initially appeared as a credit on the student bill.
