

BISHOP DUNN

KNIGHTS CHESS CLUB

FOR STUDENTS IN GRADES 3-8

This club will meet on **Monday afternoons about twice a month from October, 2018 to May, 2019** (see attached dates) from 2:45 to 4:00 in the art room to play games and receive instruction. A local chess master, Mr. Ernie Johnson, will use various approaches to teach chess strategies and tactics. To join this club, students must be in at least in 3rd grade and have a parent permission slip signed.

My child, _____, in grade _____ has my permission to attend the Chess Club meetings afterschool at Bishop Dunn. I understand that my child must exhibit excellent behavior in order to continue participation. I also understand that my child must be picked up by 4:00 pm promptly or he/she will be sent to extension. **There is a fee \$45 for the year** (to cover the cost of the instructor). Checks should be made payable to Bishop Dunn Memorial School.

As we begin this club, our goals are to HAVE FUN, to GET BETTER AT CHESS, and to improve analytical thinking skills by developing concentration and focus, which have shown to improve school performance. In addition, you will have fun by using your mind to play one of the most challenging games-chess, by setting traps for your opponents, trying to capture their pieces, and checkmating them. Most of all, you will get better at chess by improving your game and participating in competitions. Please contact Mrs. Trieste at susan.trieste@bdms.org if you have any questions.
