The Family Educational Rights and Privacy Act (FERPA) is a federal law that affords parents the right to have access to their children's education records, the right to seek to have the records amended, and the right to have some control over the disclosure of personally identifiable information from the education records. When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student ("eligible student").

For more information, please visit http://familypolicy.ed.gov/

In the case where a student would like to disclose their confidential information, a Release of Information Authorization Form must be filed with the Registrar’s Office. Once this form is filled out with the designated individual(s) or institution(s), information can be released of the student’s status at Mount Saint Mary College with respect to grades, academic standing and financial obligations. This will remain in effect until the student graduates or revokes the consent by filling out a new authorization form. https://www.msmc.edu/Academics/Registrar/ (Permission to Release Academic Records)

The law permits Mount Saint Mary College to disclose parties in an emergency if knowledge of the information is necessary to protect the health or safety of the student or other individuals.

**Campus Buildings**

**Aquinas Hall** and the Kaplan Family Mathematics, Science and Technology Center (MST) is the Mount’s main campus building.

**Bishop Dunn Memorial School** is a private elementary (K-8) school located on the south end of our campus.

**The College Courts** are spacious upperclassmen residences with several lounges in each building and at least one full kitchen.

**The Dominican Center** houses the college library, upperclassmen dorms, and the Chapel of the Most Holy Rosary, which serves as the spiritual center of campus.

**Guzman Hall** is an administration building housing the Admissions offices, Health Services, Student Accounts, Financial Aid, Registrar’s Office, and the Desmond Center for Community Engagement and Wellness.

**Hudson Hall** serves as a center for student life as well as classrooms and academic offices.

**The Kaplan Recreation Center** is home to the MSMC Knights, the gymnasium, Olympic-sized pool, and fitness center.

**Sakac Hall** is a freshmen residence hall with magnificent views of the campus and the Hudson River.

**The Villa** was built in the 1840s. In the early years of the College, this Victorian building held the entire college classes, residence hall, offices, and library. It currently holds Administration, and the Catholic and Dominican Institute.

**Whittaker Hall** was the graceful carriage house on the original estate. Today, it houses faculty offices.
The Office of Student Affairs in Hudson Hall provides support services and activities that assist your student in reaching his or her potential. The office assumes responsibility for the overall management of the Student Affairs program and its staff; serves as an advisor to students on an individual and group basis; and works with student leaders and other college personnel to develop appropriate student life policies and procedures.
CAREER CENTER
The Mount’s Career Center is one of the college’s most successful student and alumni support programs. Mount graduates commonly credit the Career Center for providing powerful, proven, and practical tools that they use to shape and polish their post-graduate portfolios. More than just a student program, the center provides life-long tools for success and advancement for students and alumni.

What do they offer?
Career Exploration and Interest Assessments, Internships, Professional Skill Development, Job Search Assistance, and Alumni Resources.

Phone: 845-569-3175 | Email: careercenter@msmc.edu

WRITING CENTER
The Writing Center is the home for writing at Mount Saint Mary College. Our primary function is to support students as they are completing academic writing assignments. The Writing Center’s team of trained writing tutors assists Mount students in all stages of the writing process: brainstorming and organizing ideas; structuring sentences, paragraphs, and essays; strengthening argumentation; incorporating research and appropriate systems of citation; improving grammar and style; and more!

Phone: 845-569-3413 | Email: writing.center@msmc.edu

KAPLAN FAMILY LIBRARY & LEARNING CENTER
The Kaplan Family Library and Learning Center creates a dynamic, responsive learning environment by connecting people with information. The library facilitates teaching and learning, advances scholarship, and serves as a vibrant and welcoming gathering place for the Mount Saint Mary College community.

Phone: 845-569-3299 | library@msmc.edu

ACADEMIC AFFAIRS OFFICES

ACADEMIC AFFAIRS
Mount Saint Mary College’s eight academic divisions are committed to academic excellence and community service. No matter which of our 80+ undergraduate academic programs or 3 graduate programs your student chooses, we want to show them how they can help others with it. Our faculty and staff are ready to help your student achieve their goals and give them the knowledge to be successful.
**FINANCIAL AID**

Mount Saint Mary College’s Office of Financial Aid is located in Guzman Hall. Our office provides assistance in helping your student access funding in the form of scholarships, grants, loans, and part-time employment from a variety of sources including Federal, New York State, private, and institutional.

No student will be barred from consideration due to race, gender, creed, age, or disability. All U.S. citizens and eligible non-citizens will be considered for financial aid if they file a Free Application for Federal Student Aid (FAFSA). If you file your FAFSA late in the semester, please contact the SFS office, as your aid package may have to be processed manually. Any student who is in default of a federal loan, owes a repayment on any federal funds, or has discharged a previous Federal student loan in bankruptcy are ineligible for financial aid from any source until the default or repayment is resolved.

**FINANCIAL AID APPLICATION**

Mount Saint Mary College requires all applicants for financial aid to complete the FAFSA. Applicants should complete the form online at www.fafsa.ed.gov. When completing the application, students must list Mount Saint Mary College, Newburgh, NY, 12550, as a recipient.

**OUR TITLE IV SCHOOL CODE NUMBER IS 002778.**

Please note: All applicants are considered for all aid available, depending upon need, including federal, state, and institutional funds on a first come, first-served basis, once they are admitted to the College. First-year students are advised to file the required forms no later than February 15 of the year enrollment is anticipated. Returning students are encouraged to file the FAFSA or Renewal FAFSA no later than April 15.

**VERIFICATION - POLICY AND PROCEDURAL STATEMENT**

Federal verification guidelines require that applicants be selected for verification by the Central Processing System (CPS) or by the school. At the Mount, federal verification is performed on all applicants selected by the CPS and any application that the College has reason to believe is incorrect or has conflicting documentation. Under certain circumstances, a CPS selected application may be excluded from some or all of the federal verification requirements due to the following unusual circumstances including: death of the student, not an aid recipient, applicant is eligible to receive only unsubsidized student financial assistance. With the exception of the death of the student, however, none of these exemptions excuses the College from the requirement to resolve conflicting information.

Federal verification must typically be completed prior to receiving a financial aid award for returning students. Incoming freshmen must complete verification before any federal funds are disbursed/applied to their student account. Students, who fail to comply with verification requirements, including submitting documentation within required timelines, will not have Federal Title IV funds disbursed and may have Federal Title IV funds canceled. MSMC considers the student to be the responsible party for providing information and completing the verification process.

To complete the verification process, acceptable documentation will include Student Verification Worksheet, IRS Tax Transcripts or IRS DRT, and W2’s. To resolve discrepancies in reported information, students may be required to complete and submit additional information including IRS Tax Returns, schedules, or other documentation. Verification results that require changes to the applicant information and subsequent changes to the student’s financial aid package will be made prior to final disbursement of Federal funds.

For all students eligible for subsidized Title IV aid, the College will make appropriate changes to the student information electronically through the Department of Education’s CPS to ensure each student has a correct valid ISIR (Institutional Student Information Record). The student will be notified of this adjustment through a revised financial aid award letter. If the verification results do not justify aid already disbursed, the student is responsible for repaying all aid for which s/he is not eligible. Failure to meet the repayment obligation will result in the student being referred by MSMC to the U.S. Department of Education.

Verification results that reveal possible fraud or criminal misconduct in connection with the financial aid application or verification processes will result in the matter being referred by MSMC to the Office of the Inspector General of the U.S. Department of Education.

**FEDERAL VERIFICATION SELECTION COMPLIANCE**

The Mount completes verification for all aid applicants selected for verification by the CPS. The Mount also has the option to select additional applicants for verification including those it has reason to believe are inaccurate or have conflicting information.

Questions regarding this policy or its intent should be directed to Financial Aid Office at (845) - 569-3700. The Federal Tax Transcript can be ordered at www.irs.gov or directed to Financial Aid Office at (845) - 569-3700. The College will make appropriate changes to the student's financial aid package.

No student will be barred from consideration due to race, gender, creed, age, or disability. All U.S. citizens and eligible non-citizens will be considered for financial aid if they file a Free Application for Federal Student Aid (FAFSA). If you file your FAFSA late in the semester, please contact the SFS office, as your aid package may have to be processed manually. Any student who is in default of a federal loan, owes a repayment on any federal funds, or has discharged a previous Federal student loan in bankruptcy are ineligible for financial aid from any source until the default or repayment is resolved.
Can freshmen have cars?
Freshmen are allowed to bring cars to campus.

How does the Mount help students look for jobs after graduation?
The Mount’s Career Center is one of the college’s most successful student and alumni support programs. The center offers career exploration and interest assessments, internships, professional skill development, job search assistance, and alumni resources.

How do I apply for an internship?
Students can visit the Career Center and work with a career counselor to find the right internship opportunity for their major and their interests. Students can start internships in the summer after their freshman year, but should start the process early in the fall semester, as these experiences are competitive.

Do you have an honors program?
Yes, Mount Saint Mary College offers an Honors Program with credit, comprising academic, cultural, and social activities. While designed for traditional undergraduate students, the program is open to non-traditional students as well. Mount Saint Mary College also has 16 honor societies on campus.

Do you have health services on campus?
Our on-campus Health and Wellness Center has a clinic with registered nurses, nurse practitioners, and two consulting physicians. The clinic provides acute health care while the student is on campus. The office provides information on current health issues and refers students to appropriate off-campus medical facilities as needed. The college is within four blocks of St. Luke’s Cornwall Hospital.

What services are offered for students with disabilities?
Counseling and the Office of Disability Services coordinate the college’s academic and non-academic campus accommodations, assist students in conveying needs to faculty and staff, and work collaboratively with other departments to resolve any concerns related to disability needs.

Is housing guaranteed for all four years?
Yes, housing is guaranteed for all four years.

Where do freshmen live? What about upperclassmen?
All first-year students reside in Sakac Hall. The upperclassmen live in the College Courts or the Dominican Center.

What amenities are available in the residence halls?
Each freshman suite includes one or two bathrooms, cable access, one phone jack per person, and one closet per person (when space permits.) Both residence halls feature a full kitchen, common area lounge on each floor, fitness room, movie lounge, laundry room, and computer room.

Can I request a roommate? What about a specific residence hall?
We can only guarantee roommates if the request is mutual on the housing application. Unfortunately, we cannot accommodate suitemate or residence hall requests.

What is there to do in the Hudson Valley?
The Hudson Valley is home to numerous entertainment venues, professional sports teams, shopping malls, and outlets. It offers artistic venues and museums as well as some of the most diverse restaurants on the east coast and many outdoor activities. Learn more about local attractions in the Hudson Valley at msmc.edu/attractions.

Are there different student events on campus?
Our Student Activities Office offers a variety of events including films, trips, plays, intramurals, and seasonal activities. We also have more than 20 clubs and organizations for students to become involved with. On top of student activities, the Hudson Valley has so much to offer. Students often enjoy shopping, outdoor activities, dining, cultural activities, and our proximity to New York City and Albany.
ATHLETICS

WHAT SPORTS DO YOU HAVE? WHAT DIVISION?
We are a Division III College with 23 men and women’s teams, the newest being eSports and women’s golf. We participate in the Skyline Conference. Learn more about the Mount’s Division III Athletics program at msmcknights.com.

CAN I RECEIVE SCHOLARSHIP/GRANT MONEY FOR PLAYING A SPORT?
Since we are a Division III school, we are not permitted to offer any athletic scholarships.

WHAT IF I DON’T WANT TO PLAY COMPETITIVELY?
We do have several intramural activities for students who don’t want to play on a competitive team, including dodgeball, soccer, wiffle ball, basketball, ping pong, ultimate Frisbee, yoga, and Zumba. Learn more about Intramurals at the Mount.

ADMISSIONS

WHAT IS YOUR AVERAGE GPA?
The average GPA is an 87 (or a 3.0).

DO YOU ACCEPT ACT? WHAT SCORE DO I NEED?
We are a test optional school, but we are happy to look at both SAT and ACT exam scores.

WHAT IS REQUIRED FOR AN APPLICATION TO BE REVIEWED?
In order to review your application, we will need your completed application and official high school transcript. One letter of recommendation is optional, but encouraged. Once we have all application materials, the decision is generally made within a few weeks. Learn more about how to apply.

DO YOU CHARGE AN APPLICATION FEE?
No application fee is required.

WHAT IS THE APPLICATION DEADLINE FOR ADMISSION?
We accept applications on a rolling admissions basis, which means you can apply year round. Start your application online today!

DO I NEED A FORMAL INTERVIEW?
Formal interviews are not required. However, we may request an interview in order to obtain more information on your application.

WHAT IS HEOP AND HOW DO I QUALIFY?
HEOP is the Higher Education Opportunity Program that is funded by New York State and MSMC. The program is designed to support both academically and financially disadvantaged NYS residents. This program is a highly competitive program for high school students who meet the New York State income eligibility guidelines. Visit the HEOP website to learn more, or contact the HEOP office at 845-569-3178.

HOW MUCH IS THE ADMISSIONS DEPOSIT, AND IS IT REFUNDABLE?
Students are asked to submit an admissions deposit in order to confirm their enrollment at the Mount. The deposit is $250 for resident students and $150 for commuter students. Please note that deposits are non-refundable and subject to change without notification.

WHAT ARE THE PLACEMENT EXAMS? DO I NEED TO TAKE THEM?
Some students are required to take placements exams in the spring prior to the start of their freshman year. The placement exams are used to determine if students are ready to begin taking college-level courses.

IS THERE A MANDATORY ORIENTATION PROGRAM? WHEN IS IT?
Yes, Summer Orientation is mandatory. We offer two different sessions in the month of July. From information sessions to team building activities, orientation is the perfect time for incoming students to learn what to expect from their college experience.

Quick Guide

FIRST YEAR – ADJUST TO COLLEGE

• Meet the Career Center counselors
  • Create a resume and have a counselor review it
  • Learn about all that the Career Center has to offer
• Explore co-curricular opportunities and get involved in organizations and clubs
• Make sure your visit the Office of Student Success, which offers academic coaching, academic tutoring and supplemental advising.
• Practice time management! The flexible schedule of college life can be hard to adapt to!

SOPHOMORE YEAR - EXPLORE ACADEMICS AND CAREER OPTIONS BROADLY

• Explore opportunities for undergraduate research
• Meet with a career counselor and attend career events to find an internship or summer opportunity
• Determine which student organizations are the best fit
• Plan ahead for the summer—job, internship, research, or summer school
• Declare a major by the end of your sophomore year if you have not done so already

JUNIOR YEAR - EXPERIENCE ACADEMIC DEPTH AND START TO DEFINE CAREER OPTIONS

• Keep working with the Career Center to develop your plans
• Take on leadership roles in student organizations
• Review and confirm your progress to degree completion with your Faculty Advisor
• Participate in service opportunities

SENIOR YEAR - CULMINATING EXPERIENCES AND TRANSITION TO LIFE AFTER COLLEGE

• Update your resume
• Hone your strategies for job searching by working with the Career Center
• Apply to graduate school or fellowship opportunity
• Plan ahead for Commencement
• Confirm academic standing with your faculty advisor
• Remember the Career Center offers access to services and resources for alumni
• Participate in career fairs and on campus interviews
Your son or daughter has made the decision to study at Mount Saint Mary College. The first goal has been accomplished. Congratulations, no more running around using weekends to find the right college for them! High School graduation is behind you and now you need to focus on your student’s new adventure. Many emotions come into play now. Some students start withdrawing from their loved ones. It is a defense mechanism. They are afraid they are going to miss you too much, so start the process before it needs to happen. Do not take this personally, but encourage your student to spend time with the family. Go shopping together for what they may need from their loved ones. It is a defense mechanism. They are afraid they are going to miss you too much, so start the process before it needs to happen. Do not take this personally, but encourage your student to spend time with the family. Go shopping together for what they may need from their loved ones.

**CHECK LIST**

1. Make sure your insurance company knows they will be living on campus if this is the case. They may send you paperwork to fill out. Please complete this and send it back. If you do not have insurance, check out the schools insurance coverage.

2. Shop for all the essentials. If your student knows whom they will be rooming with before they arrive, have them coordinate large items that they can share. It will save money and space in the car.

3. Your student will come to one of the orientations in July where they will complete their schedules, so do not worry that it is not done yet. They may also meet someone with whom they choose to be roommates. Both parties need to agree to this and let Residence Life know.

4. Read the packets that you receive from Admissions and Residence Life. They are filled with dates and schedules. Please create a checklist to make sure they are all completed. Review the “What to Bring List” that Residence Life sent your student before you go shopping.

5. If your student has never done their own laundry, this would be a good time to teach them how to do it. Balancing a “checkbook” and budgeting would be great lessons as well. There are ATM machines in Hudson and Aquinas Hall.

6. If your student is a commuter, make sure they know the places they can go in between classes to study or socialize.

**IMPORTANT REMINDERS:**

- Housing assignments are usually sent to your student’s MSMC email address the first week of August.
- An email from Financial Aid’s work-study program will be sent to your student about student employment on campus if they are qualified for the Federal “Work Study” Program.
- If your student has not qualified for work-study but wants to work, have them check out the Career Center in Aquinas Hall and ask about local work or tutoring.
- Fall semester tuition is due.
- Move in day is in August, and classes begin in August.
- Families should review, accept their awards.
- Families should start the loan processing process, which typically opens around mid-June.
- If applicable families should also setup a payment plan for tuition payments. Student balances should be at $0 before the start of class. More information about payment plans and how to set it up can be found on our website.

**WHAT TO EXPECT: SUMMER**

**JUNE, JULY & AUGUST**

Time management takes on a completely new meaning. Encourage them to visit the Office of Student Success. Academic coaches are there to help them with all their new transitions. Professors also have office hours. Encourage your student to visit the professors outside of class so that they can get to know each other better. They may also want to pop into Campus Ministry and speak to Fr. Greg who welcomes all students with a huge smile and cheery disposition. Resident students also have an RA who is there to help them adjust and work out roommate issues. There is a “club fair” you can encourage your student to attend. All the clubs on campus have a sign up day. It is a time to see what catches their eye and find people with similar interests. If they are sports oriented, they can visit the Kaplan Recreation Center and ask about intramural sports.

**IMPORTANT REMINDERS:**

- Last day to Add/Drop
- Labor Day-No Classes

**WHAT TO EXPECT: FALL**

**SEPTEMBER**

Homesickness is as real as any physical condition. There is definitely an adjustment period to this new lifestyle. Encourage your student to keep up the good work and empathize with their struggle. A lot is coming at them at once. Classes and homework, tests, finding their way around campus, making new friends and missing their old friends. Time management takes on a completely new meaning. Encourage them to visit the Office of Student Success. Academic coaches are there to help them with all their new transitions. Professors also have office hours. Encourage your student to visit the professors outside of class so that they can get to know each other better. They may also want to pop into Campus Ministry and speak to Fr. Greg who welcomes all students with a huge smile and cheery disposition. Resident students also have an RA who is there to help them adjust and work out roommate issues. There is a “club fair” you can encourage your student to attend. All the clubs on campus have a sign up day. It is a time to see what catches their eye and find people with similar interests. If they are sports oriented, they can visit the Kaplan Recreation Center and ask about intramural sports.

**IMPORTANT REMINDERS:**

- Fall Break-No Classes
- Family Weekend
- Spirit Week

**NOVEMBER & DECEMBER**

This is probably the most stressful time for your student. Essays are due, projects need to be completed and finals are pending. Eating well, exercise and sleep will help ease the tension. There are also other avenues to pursue such as the Counseling Center. Encourage your student to stop worrying about the holidays and that they will be home soon enough to help with decorating, baking and shopping. Missing family traditions does weigh on students, so if you can hold off until they come home, it will relieve anxiety about that.

**IMPORTANT REMINDERS:**

- Thanksgiving break
- Finals Exams December
- Forms to Financial Aid
- Deposits Due
WHAT TO EXPECT: SPRING

JANUARY & FEBRUARY
Going back for the spring semester has mixed reviews for your student. They miss their college friends and now it is time to say goodbye to their high school friends and the comforts of home. Perhaps they did not do so well their first semester and know they have to buckle down harder to get that GPA up. These are all real tensions that need to be addressed. Be their sounding board and do not forget the help that is available to them. They are not alone and the administration and staff at Mount Saint Mary College is there just for them!

It may be called the spring semester, but the weather is cold, snowy and rainy. This can have an effect on moods. Stress the point that every class is held indoors and the cold, snowy and rainy. This can have an effect on moods.

IMPORTANT REMINDERS:
• Filing the FAFSA and TAP
• Martin Luther King Day – No Classes
• Classes Resume
• Residence Halls Open

MARCH
Hopefully, spring is right around the corner by now because being inside all winter long can really get to any of us. Luckily, your student has a week off. Make sure you have a small talk with them if their grades could use some improving. Tell them before they come home from the break to meet with the FYE team and OSS advisor to help them come up with a plan on the best way to study for mid-terms. The last thing they want to do on spring break is study, but this is the perfect opportunity to change that GPA for the better. They will be back home within a month for Easter Recess. That will be the time to relax with family and friends a bit more.

IMPORTANT REMINDERS:
• Spring Break-No classes for traditional students

APRIL & MAY
The end is so close you can almost taste it. The weather is just beckoning your student to just enjoy the day outside and forget about everything else. Remind them that they are almost done. A whole year has almost passed and you did so well. If they feel the need for warmth on their backs, great. Go outside with your textbooks and notes; find a nice spot and study.

IMPORTANT REMINDERS:
• Renewal of the FAFSA and TAP forms
• Easter Break
• Housing Selection
• Block Party
• Commencement

PLACES TO GO, THINGS TO DO

The Mid-Hudson Valley is rich in recreational and historical sites as well as beautiful rivers, lakes, and mountains. In addition, the Mount is only an hour from New York City. The following selected list of recreational and leisure sites, restaurants, and accommodations is intended to help students enjoy the area. This list is representative; it is not an endorsement.

FOR FURTHER INFORMATION:
• The Chamber of Commerce of Orange County 845-457-4700; www.orangeny.com (visitor information)
• New York State Travel Information Center (1-800-CALL-NYS)
• New York Convention and Visitors Bureau (New York City) 212-397-8200
• Orange County Tourism: orangetourism.org
• The Times Herald-Record or Poughkeepsie Journal.
